INAUGURATION OF NEW CENTRE

After opening Kolkata and Delhi centers in 2022, we have opened another bigger center in Delhi to accommodate ever increasing number of students. Free Savram classes began last year up to class VIII were extended up to class XII this year. The students' improved performances in academics continued to encourage our teachers and volunteers to keep working harder throughout the year.

Workshops-Our team of Volunteers has organized a series of workshops on Communication skills, Arts and crafts, Feminine hygiene for students of 8 to 12, educating primary kids on good touch and Bad touch.

BOOK DONATION & BOOK COLLECTION CAMPAIGN

We had run a small campaign during the year appealing for used books for our students from various sections of society as well as from our students of their last classes. It was a great feeling to see that almost all of our students have donated their books for next generation of students. As a result, these books were provided to the children who needed them most.

Annual Day

Our NGO, Savram Foundation, recently celebrated its annual day with great enthusiasm and joy. This momentous occasion brought together our students, parents, volunteers and staff to contribute to our journey and achievements.

Highlights

- Cultural performances by our talented students
- Inspiring speeches by our trustees and Volunteers
- Recognition and rewards for outstanding students Fun games and activities for all.
- Point of views shared by Savram students and parent

The event fostered sense of community, pride, and ownership among our stakeholders reinforcing our mission and create brighter future.

Summer Camp

All of us used to wait very eagerly for our summer vacations during our childhood with lots of plans to engage in fun filled activities. Realizing that it is a distant dream for many of our children, we have organized Summer Camp activities like Dancing, Aerobics, Arts and Crafts for our underprivileged students completely free during summer vacations this year. The

children not only thoroughly enjoyed the same but also displayed great deal of talent while participating in these activities. Watching the kids enjoying wholeheartedly indulging in these fun filled activities brought us immense pleasure and satisfaction.

World Environment day

We have celebrated world environment day by planting more than 100 plants at different locations ensuring participation of most of our students in this drive. Protecting and nurturing our environment are crucial for our existing and next generations. Its importance and our unconditional responsibility towards the same

can't be undermined. It is necessary that our children must understand this and commit themselves for the same. The drive was carried out and was a great success by wholehearted involvement of our students, volunteers and teachers.

How to Get Involved?

Education is simply the soul of a society as it passes from one generation to another. —G.K. Chesterton

Though we are lagging far behind the target we had set for ourselves in spreading our centers to different corners of our Country, mostly due to shortage of funds. But

Though we are lagging far behind the target we had set for ourselves in spreading our centers to different corners of our Country, mostly due to shortage of funds. But we are committed to continue touching many more children's lives and imparting value based education not only academically but also helping them acquiring useful skills to earn their livelihood with dignity. We are grateful for your continued support and belief in our mission. Together, we can educate young minds and create a path for their bright future.
